

Dear Parents/Guardians of the Class of 2011:

It has become a tradition at Alvirne to allow parents and relatives to include a baby picture and personal message to their special graduate in the yearbook. If you wish to provide a photo and message, please follow these guidelines:

The cost of the photo and message is \$35.00. Please make all checks payable to Alvirne High School. **This is above and beyond the cost of the yearbook.**

The photo may be black/white or color. It makes no difference. **What is important is you mark your child's name on the bottom right-hand corner on the back of the photo.** Please do not send large photos (5x7 or 8x10). Wallet size is best, preferably portrait-style. We cannot use photos with odd shapes (triangle, heart, etc). Digital pictures do not need to be scanned and sometimes reproduce better as a result.

The photo will be returned to you [via your child] at the end of the school year. However, it should be noted that a photo could be lost. Whether by Jostens or us, it is a possibility. For this reason, it is suggested that the photo you send in be a copy (*not a photocopy*) or a second print. Please keep this in mind when submitting your photo.

Please use good judgment in selecting the photo. The purpose of this section is not to embarrass the student. What might be cute and cuddly to a parent may cause embarrassment to a teenager. Let's avoid nude shots. Do not send more than one photo and ask the staff to choose. Also, do not send group photos [of parties or first grade classes etc].

The message for your graduate is not to exceed 30 words in length. If you type it and send via a mass storage device, potential student re-typing errors may be avoided.

The deadline to submit photos and messages is **October 15, 2010.**

I hope you will avail yourself of this opportunity to be part of your child's yearbook. If you have any questions, please contact me.

Sincerely,
Michael Sedlisky Yearbook Advisor
